Hi Christine,
Just FYI - this email provides information on next steps as a follow-up to the June 12 Funder's Summit at Warm Springs. You may have already received this from Greg.
Hope you are enjoying the summer!
Kris

Subject: Warm Springs Funders Summit: Thank You and Next Steps

Dear Colleagues:

I want to thank you all for coming to the Funders Summit we hosted at Warm Springs on June 12th. I thought the meeting went well, and I appreciated all of the funding and resource ideas that were shared to assist the Confederated Tribes of Warm Springs in addressing our drinking water, wastewater, landfill and housing needs.

At the close of the meeting, we asked for your continued help going forward. Specifically, **we requested that the funders continue to meet in sub-committees devoted to drinking water, wastewater, landfill, housing and sustainability/community outreach, and that these groups 1) continue to identify and leverage funding options to address the needs that were presented on June 12th, and 2) report back to the tribe at a follow up meeting which is now scheduled for Tuesday, August 6th, 9 a.m. to 3 p.m., at Warm Springs (specific location TBA).**

You should have received an Outlook calendar invitation for this event from Annette Liebe. Please reply directly to the Outlook invitation to indicate your availability on that date.

In the meantime, our 5 sub-committee leads will be reaching out to schedule meetings. **We ask for your cooperation in participating in these sub-committees and helping put together additional information that can be presented at the August 6th meeting.** As a reminder, the five sub-committee team leads are:

- Drinking Water: Bruce Irwin, Warm Springs Development Director, bruce.irwin@wstribes.org
- Wastewater: Annette Liebe, Regional Solutions, Oregon Governor's Office, Annette.liebe@oregon.gov
- Landfill: Greg Svelund, Oregon Department of Environmental Quality/Regional Solutions, svelund.greg@deq.state.org.us
- Housing: Sarah Lindsley, U.S. Department of Housing and Urban Development, sarah.lindsley@hud.gov
- Sustainability and Community Outreach: Wenona Wilson, U.S. Environmental Protection Agency, wilson.wenona@epa.gov

Since the meeting, we've been exploring ways to bring on additional staff in grant-writing, project management, and finance, so that the tribe can better pursue and manage additional funds. Of course we have also been very busy dealing with the actual infrastructure issues on the ground. In order for me to continue to focus on the urgent needs and day-to-day operations of the tribe, I am asking that you please do not reply to me directly with questions about the August meeting or subcommittees. If you have any questions about the sub-committees, we ask that you reach out to the sub-committee leads listed above.

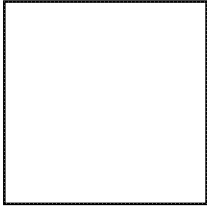

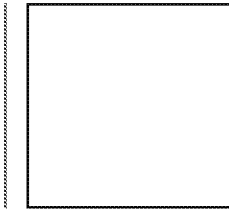

If you have any questions about the August 6 meeting, please contact Annette Liebe, Wenona Wilson, or Sarah Lindsley. In addition, I have attached a contact list that includes the names and contact information for all of the participants at the meeting.

Thank you,

Alyssa
